3 **STATUTORY PROVISIONS**

4 6. Section 9884.7 of the Business and Professions Code ("Code") states, in pertinent  
5 part:

6 (a) The director, where the automotive repair dealer cannot show there was a  
7 bona fide error, may deny, suspend, revoke, or place on probation, the registration of  
8 an automotive repair dealer for any of the following acts or omissions related to the  
9 conduct of the business of the automotive repair dealer, which are done by the  
10 automotive repair dealer or any automotive technician, employee, partner, officer, or  
11 member of the automotive repair dealer.

12 (1) Making or authorizing in any manner or by any means whatever any  
13 statement written or oral which is untrue or misleading, and which is known, or which  
14 by the exercise of reasonable care should be known, to be untrue or misleading.

15 (3) Failing or refusing to give to a customer a copy of any document  
16 requiring his or her signature, as soon as the customer signs the document.

17 (4) Any other conduct which constitutes fraud.

18 (b) Except as provided for in subdivision (c), if an automotive repair dealer  
19 operates more than one place of business in this state, the director pursuant to  
20 subdivision (a) shall only suspend, revoke, or place on probation the registration of  
21 the specific place of business which has violated any of the provisions of this chapter.  
22 This violation, or action by the director, shall not affect in any manner the right of the  
23 automotive repair dealer to operate his or her other places of business.

24 (c) Notwithstanding subdivision (b), the director may suspend, revoke, or  
25 place on probation, the registration for all places of business operated in this state by  
26 an automotive repair dealer upon a finding that the automotive repair dealer has, or is,  
27 engaged in a course of repeated and willful violations of this chapter, or regulations  
28 adopted pursuant to it.

7. Section 9884.13 of the Code states:

"The expiration of a valid registration shall not deprive the director or chief of jurisdiction  
to proceed with any investigation or disciplinary proceeding against an automotive repair dealer  
or to render a decision invalidating a registration temporarily or permanently."

8. Section 44002 of the Health and Safety Code provides, in pertinent part, that the  
Director has all the powers and authority granted under the Automotive Repair Act for enforcing  
the Motor Vehicle Inspection Program.

///

1           9.       Section 44072.2 of the Health and Safety Code states, in pertinent part:

2           The director may suspend, revoke, or take other disciplinary action against a license  
3 as provided in this article if the licensee, or any partner, officer, or director thereof, does  
4 any of the following:

5           (a) Violates any section of this chapter [the Motor Vehicle Inspection Program  
6 (Health and Saf. Code, § 44000, et seq.)] and the regulations adopted pursuant to it, which  
7 related to the licensed activities.

8           (c) Violates any of the regulations adopted by the director pursuant to this chapter.

9           (d) Commits any act involving dishonesty, fraud, or deceit whereby another is  
10 injured.

11       10.       Section 44072.6 of the Health and Safety Code provides, in pertinent part, that the  
12 expiration or suspension of a license by operation of law, or by order or decision of the Director  
13 of Consumer Affairs, or a court of law, or the voluntary surrender of the license shall not deprive  
14 the Director of jurisdiction to proceed with disciplinary action.

15       11.       Section 44072.8 of the Health and Safety Code states:

16       “When a license has been revoked or suspended following a hearing under this article, any  
17 additional license issued under this chapter in the name of the licensee may be likewise revoked  
18 or suspended by the director.”

#### 19                               **COST RECOVERY**

20       12.       Code section 125.3 provides, in pertinent part, that a Board may request the  
21 administrative law judge to direct a licensee found to have committed a violation or violations of  
22 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and  
23 enforcement of the case.

#### 24                               **UNDERCOVER OPERATION – SEPTEMBER 18, 2013**

25       13.       On or about September 19, 2013, an undercover Bureau operator (“operator”)  
26 drove a Bureau documented Chevrolet to Respondent's facility and requested a smog inspection.  
27 The vehicle could not pass the visual portion of the smog inspection because the vehicle's exhaust  
28 gas recirculation valve and exhaust gas recirculation valve cooler had been removed. When the  
operator arrived, he spoke with Respondent and requested a smog inspection. The operator

1 signed a written estimate but did not receive a copy prior to the inspection being performed. The  
2 operator then observed Respondent perform a smog inspection on the vehicle. Following the  
3 inspection, Respondent told the operator that the vehicle had failed the inspection due to a  
4 missing exhaust gas recirculation valve and exhaust gas cooler. The operator paid Respondent  
5 \$60 and received a copy of a Vehicle Inspection Report, Estimate No. [REDACTED] and Invoice No. [REDACTED].

6 14. Later that same day (September 19, 2013) the Bureau conducted a field inspection  
7 at Respondent's facility. During the field inspection, Respondent admitted and acknowledged  
8 that he had used his brother Pardeep Singh's Smog Check Inspector License Number EO 633402  
9 and access code to perform the smog inspection on the undercover vehicle. Furthermore,  
10 Respondent knew or should have known that he was not qualified or eligible to perform the smog  
11 inspection due to a low "STAR" score and that he would not have access to the EIS using his own  
12 name and license information.<sup>2</sup>

13 **FIRST CAUSE FOR DISCIPLINE**

14 **(Untrue or Misleading Statements)**

15 15. Respondent's registration is subject to discipline pursuant to Code section  
16 9884.7(a)(1), in that on or about September 19, 2013, Respondent made or authorized statements  
17 which he knew or in the exercise of reasonable care should have known to be untrue or  
18 misleading in that Respondent certified that his brother, Pardeep Singh, had performed the smog  
19 inspection on the Bureau's 2006 Chevrolet. In fact, Respondent used his brother Pardeep Singh's  
20 Smog Check Inspector License Number EO 633402 and confidential access code to access the  
21 EIS and perform the smog inspection on the vehicle.

22 ///

23 ///

24 ///

25 <sup>2</sup> Respondent holds Smog Check Inspector License Number EO 153759, but he is not  
26 eligible to be employed for the purposes of performing smog check inspections at a "STAR"  
27 certified Smog Check Station due to a low "STAR" score. Respondent was not assigned to the  
28 Emissions Inspection System (EIS) at Alpine Smog at the time the Bureau conducted the  
undercover vehicle operation and therefore, Respondent could not legally perform the smog  
inspection.

1 **SECOND CAUSE FOR DISCIPLINE**

2 **(Fraud)**

3 16. Respondent's registration is subject to discipline pursuant to Code section  
4 9884.7(a)(4), in that on or about September 19, 2013, regarding the 2006 Chevrolet, Respondent  
5 committed acts which constitute fraud by using his brother, Pardeep Singh's Smog Check  
6 Inspector License Number EO 633402 and confidential access code to access the EIS and enter  
7 false information into the unit concerning the identity of the technician performing the smog  
8 inspection on the Bureau's undercover vehicle. Furthermore, Respondent knew or should have  
9 known that he was not qualified or eligible to perform the smog inspection due to a low "STAR"  
10 score and that he would not have access to the EIS using his own name and license information.  
11 Therefore, a bona fide inspection of the emission control devices and systems on the vehicle was  
12 not performed, thereby depriving the People of the State of California of the protection afforded  
13 by the Motor Vehicle Inspection Program.

14 **THIRD CAUSE FOR DISCIPLINE**

15 **(Failure to Provide a Copy of a Signed Document)**

16 17. Respondent's registration is subject to discipline under Code section 9884.7(a)(3),  
17 in that on or about September 19, 2013, regarding the Chevrolet, Respondent failed to provide the  
18 operator with a copy of the estimate as soon as the operator signed the document.

19 **FOURTH CAUSE FOR DISCIPLINE**

20 **(Violations of the Motor Vehicle Inspection Program)**

21 18. Respondent's station license and inspector license are subject to discipline under  
22 Health & Safety Code section 44072.2(a), in that on or about September 19, 2013, regarding the  
23 Chevrolet, Respondent failed to comply with the following sections of that Code:

24 a. **Section 44012(f):** Respondent failed to perform emission control tests on the  
25 vehicle in accordance with procedures prescribed by the department.

26 ///

27 ///

28 ///

1           b.     **Section 44014(a):** Respondent used his brother, Pardeep Singh's Smog Check  
2 Inspector License Number EO 633402 and confidential access code to access the EIS and enter  
3 false information into the unit concerning the identity of the technician performing the smog  
4 inspection on the Bureau's undercover vehicle.

5                                   **FIFTH CAUSE FOR DISCIPLINE**

6                                   **(Failure to Comply with Regulations)**

7           19.     Respondent's station license and inspector license are subject to discipline under  
8 Health & Safety Code section 44072.2(c), in that on or about September 19, 2013, regarding the  
9 Chevrolet, Respondent failed to comply with provisions of California Code of Regulations, title  
10 16, as follows:

11           a.     **Section 3340.41(b):** Respondent used his brother, Pardeep Singh's Smog Check  
12 Inspector License Number EO 633402 and confidential access code to access the EIS and enter  
13 false information into the unit concerning the identity of the technician performing the smog  
14 inspection on the Bureau's undercover vehicle.

15           b.     **Section 3340.42:** Respondent failed to conduct the required smog tests on the  
16 vehicle in accordance with the Bureau's specifications.

17                                   **SIXTH CAUSE FOR DISCIPLINE**

18                                   **(Dishonesty, Fraud or Deceit)**

19           20.     Respondent's station license, repair technician license, and inspector license are  
20 subject to discipline under Health & Safety Code section 44072.2(d), in that on or about  
21 September 19, 2013, Respondent committed dishonest, fraudulent or deceitful acts whereby  
22 another was injured, as more particularly set forth above in paragraphs 15 and 16.

23                                   **OTHER MATTERS**

24           21.     Pursuant to Code section 9884.7(c), the director may suspend, revoke, or place on  
25 probation the registrations for all places of business operated in this state by Gurpreet Singh, upon  
26 a finding that he has, or is, engaged in a course of repeated and willful violation of the laws and  
27 regulations pertaining to an automotive repair dealer.

28     ///

22. Pursuant to Health and Safety Code section 44072.8, if Smog Check Station License Number RC 260402, issued to Gurpreet Singh, doing business as Alpine Smog, is revoked or suspended, any additional license issued under this chapter in the name of said licensee may be likewise revoked or suspended by the director.

23. Pursuant to Health and Safety Code section 44072.8, if Smog Check Inspector License Number EO 153759, issued to Gurpreet Singh, is revoked or suspended, any additional license issued under this chapter in the name of said licensee may be likewise revoked or suspended by the Director.

24. Pursuant to Health and Safety Code section 44072.8, if Smog Check Repair Technician License Number EI 153759, issued to Gurpreet Singh, is revoked or suspended, any additional license issued under this chapter in the name of said licensee may be likewise revoked or suspended by the Director.
