RE: Erratum Notice: OAL file No. 2024-1230-05S; Form 400 correction

Bureau of Automotive Repair

Date filed with Secretary of State: February 05, 2025

On February 05, 2025, an incorrect version of the Form 400 was inadvertently filed with the Secretary of State in connection with this action and was also submitted to Barclays California Code of Regulations for publication. The Bureau of Automotive Repair elected to remove the amendments pertaining to section 3312.1.1 from this action due to the timing between the effective date of the amendments (04/01/2025) and the sunset of the section (03/27/2025). However, the removal of section 3312.1.1 amendments from this action was not reflected on the Form 400 or Notice of Approval submitted to the Secretary of State on February 05, 2025. Attached to this memorandum, please find a corrected copy of the Form 400 endorsed by the Secretary of State for this action on February 05, 2025, along with a corrected Notice of Approval.

Secretary of State: Please place and keep this document with OAL file No. 2024-1230-05S.

Please contact me at 916-445-9824 or [Jason.falina@oal.ca.gov](mailto:Jason.falina@oal.ca.gov) if you have any questions. Thank you for your attention to this matter.

OAL Matter Number: 2024-1230-05

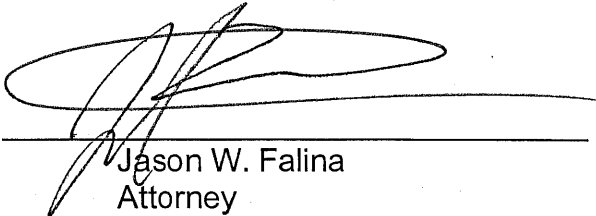

OAL Matter Type: Regular (S)

---

This regular rulemaking action by the Bureau of Automotive Repair amends sections within title 16 of the California Code of Regulations. These regulatory changes reinstate definitions for terms that became inoperative six months following the implementation of the Vehicle Safety Systems Inspection program regulations and update associated cross-references. This action also introduces the defined term "Responsible Managing Employee (RME)" and removes references to now-obsolete Health and Safety Code sections.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 4/1/2025.
