(1) **Amend Section 3394.3, Article 11, Chapter 1, Division 33 of Title 16 of the California Code of Regulations**

§ 3394.3. State Assistance Limits.

An applicant determined to be eligible under the Consumer Assistance Program may receive the following assistance:

(a) Under the Vehicle Retirement option, payment of one thousand five hundred dollars ($1,500) for each vehicle retired from operation for vehicle owners that meet income eligibility requirements. All other vehicle owners shall receive one thousand dollars ($1,000) for each vehicle retired from operation. All vehicles shall be retired from operation at a dismantler operating under contract with the Bureau of Automotive Repair.

(b) Under the Repair Assistance option, vehicle owners that meet income eligibility requirements will receive up to five hundred dollars ($500) in emissions-related repair services performed at a licensed smog check test-and-repair station holding valid STAR certification and operating under an agreement with the Bureau of Automotive Repair.

(1) Income eligible owners of 1976-1995 vehicles may receive up to three hundred dollars ($300) in additional emission related diagnostic and repair services with pre-approval from the Bureau, if an evaluation by the Bureau indicates that the proposed repairs are necessary to pass the Smog Check test.

(2) Income eligible owners of 1996 and newer vehicles may receive up to seven hundred dollars ($700) in additional emission related diagnostic and repair services with pre-approval from the Bureau if an evaluation by the Bureau indicates that the proposed repairs are necessary to pass the Smog Check test.

(2) **Amend Section 3394.4, Article 11, Chapter 1, Division 33 of Title 16 of the California Code of Regulations**

§ 3394.4. Eligibility Requirements.

(a) In order to participate in the Repair Assistance option of the Consumer Assistance Program, the following requirements must be met:

1. The applicant must be the registered owner of the vehicle with vehicle title issued in their name.

2. The applicant must not have previously participated in the Repair Assistance option for the same vehicle.

3. The applicant must have a household income that is less than or equal to two hundred twenty-five percent (225%) of the federal poverty level, as published in the Federal Register by the United States Department of Health and Human Services.

4. The applicant must pay a minimum of twenty percent (20%) of the total cost of diagnosis and repair of the emissions-related failure as co-payment for participating in the Repair Assistance option. The co-payment shall be paid directly to the station that performs the state subsidized emissions-related repair work under an agreement with the Bureau.

5. At the time of application, the vehicle must:

   A. Have failed its biennial Smog Check inspection. Aborted, manual mode, and training mode tests do not qualify.

   B. Be currently registered with the Department of Motor Vehicles with a valid and unexpired registration sticker, or have all fees paid to the Department of Motor Vehicles and not have a registration that has been expired more than 365 days.

   C. Have been continuously registered in California with the Department of Motor Vehicles without substantial lapse during the two consecutive years preceding the current registration expiration date, such that it has not experienced breaks in registration totaling more than 120 days.
